

Classic English dovetail construction is the essence of Conestoga's custom drawer box program, and that's just the beginning. Beautiful hardwood selections are protected with a durable, clear satin finish to ensure lasting beauty. Custom sizes, combined with functional organization options, make our dovetail drawer boxes the smart choice for today's cabinetmaker.

The Strength behind the Beauty

Custom cabinetry is not only measured by quality materials and construction, but also by the organizational attributes they offer. Dovetail drawer boxes provide convenient storage with easy access to cabinet interiors. Divide, organize and accessorize with Conestoga's comprehensive drawer box program. We offer options to maximize storage space while keeping you on schedule; shipping complete orders in just 8 days, guaranteed.

Options:

From functional to fashionable, Conestoga's drawer box options serve to organize and compliment the interior spaces of your cabinetry. Beautifully handcrafted dovetail drawer boxes are produced in 16 species with a variety of top edge profiles and can be machined to accept the most popular undermount drawer hardware. Add your company's logo for that final look of distinction.
