

RUSTIC REDEFINED

Nothing captures the beauty of wood like our Rustic Knotty Collection. Five rustic species; Alder, Cherry, Hard Maple, Hickory and Red Oak, together with Knotty Pine, add a look of warmth and welcome to any custom kitchen design. It's rustic redefined, with more natural character than ever before.

Providing high quality wood components in an environmentally responsible manner, Conestoga continues to deliver the most comprehensive & innovative solutions in custom cabinet design.
