Drawer Box Order Form #6

Customer Information

- Fill in all header information to insure your order is processed correctly. Missing information may cause a delay to your order.
- Fill in the page number. Since it is possible for pages to separate during transmission, numbering them ensures that your order is processed correctly and in a timely manner.
- Use unique purchase order numbers or names for every purchase order submitted to Conestoga. This will help eliminate duplication of orders.

Drawer Box Information

Specie

- Choose from standard wood species: Natural Birch (with or without finished dovetails), Natural Birch plywood, Hard Maple, Soft Maple or Walnut.
- Hard Maple and Soft Maple drawer boxes are manufactured with either a 1/4" or 3/8" Hard Maple plywood bottom.
- All Natural Birch drawer boxes are manufactured with a 1/4" Natural Birch plywood bottom or a 3/8" Hard Maple plywood bottom.
- Walnut drawer boxes are manufactured with a 1/4" Walnut plywood bottom only.
- If alternative specie is desired, specify in the Special Instructions box. Alternative specie drawer boxes are manufactured with matching specie 1/4" plywood bottoms.

Bottom Reveal

- Check the box for the appropriate reveal height to accommodate your drawer glide hardware.
- Both 1/2" and 3/8" reveals use a standard bottom thickness of 1/4".

Finish Options

- Select the appropriate box to get your Maple or Walnut drawer boxes finished or unfinished. All Natural Birch drawer boxes standard with UV finish only.

Top Edge Profiles

- Choose the top edge profile by checking the appropriate box.
- The Eased Edge 1/16" Radius is standard, all other edge profiles will incur an upcharge.
- See the drawer box section of the Custom Product Manual for illustrations and additional specifications.

Drawer Box Information

- Enter the Quantity, Height, Width and Depth for each drawer box.
- Heights are available from 2" to 12".
 - ♦ When ordering boxes with 1/4" bottoms, heights must be ordered in 1/2" increments.
 - ♦ When ordering boxes with 3/8" bottoms, overall box heights must be increased by 1/8".
- Available widths are 3" to 45", available in 1/16" increments.
- Available depths are 3" to 31", available in 1/16" increments.

Options

- Check the appropriate box to receive options on your drawer box.
 - ♦ Choose standard or wide notch option. Minimum box width is 6".
 - ♦ To receive a hand pull, your drawer box must be at least 9" wide.
- When ordering a cutlery divider, you may either enter the overall dimensions of the drawer box or the dimensions of the cutlery divider. If entering the drawer box dimensions, check the box marked "Sized to Fit." If entering the cutlery divider dimensions, check the box marked "Loose."
- Enter the cutlery divider design in the Additional Options box.
