Special Instructions:

## Cabinet Systems Order Form #7

### Customer Information

- Fill in all header information to insure your order is processed correctly. Missing information may cause a delay to your order.
- Fill in the page number. Since it is possible for pages to separate during transmission, numbering them ensures that your order is processed correctly and in a timely manner.
- Use unique purchase order numbers or names for every purchase order submitted to Conestoga. This will help eliminate duplication of orders.

### Cabinet Systems Information

- Check box for assembly instructions included with entire order. For instructions by specific cabinet indicate in the special instructions section.
- 1. Cabinet Line** – Select between the Advantage and Essence line by checking the appropriate box.
    - Upgrade to Solid Wood Shelves (prefinished Natural Birch only) by checking the box.
  - 2. Specie** – Select among the available species by checking the appropriate box.
    - Cabinet front frames will be manufactured using Standard grade material in all cases unless a custom front frame is ordered.
  - 3. Inset/Overlay** – Select among the inset, overlay and hinge manufacturer's options by checking the appropriate boxes.
    - When hinges are selected with inset doors, concealed hinge boring (pattern "B"-cup only) is included unless otherwise specified.
    - When hinges are selected with overlay doors, concealed hinge boring (pattern "A"-cup only) is included unless otherwise specified.
    - Specialty hinges will be supplied on specific cabinets whenever applicable. Refer to the Cabinet Systems Manual for more information.
  - 4. Drawer Boxes/Drawer Slides** – Select drawer boxes and hardware by checking the appropriate boxes.
    - Side mount slides will replace selected slides as appropriate for specific cabinets.
    - Natural Birch is the standard specie for Advantage drawer boxes. Plywood is the standard specie for Essence drawer boxes. Hard Maple, Soft Maple, Walnut and many alternative species are available, upcharges apply. If alternative specie is desired, specify in the Special Instructions box. Alternative specie drawer boxes are manufactured with matching specie 1/4" plywood bottoms.
  - 5. Toeboard Backer**
    - Cabinets are priced without toeboard backers and carry an upcharge if toeboard backers are selected.

### Finishing

- Indicate if you want cabinets, doors and drawers fronts, or all parts finished.
- Enter Finish, Glaze and Topcoat Sheen (15° or 40°) in the space provided. Leave blank if ordering unfinished products.

### Door and Drawer Front Information

This section is for ordering any door or drawer front design. See the Custom Product Manual for a listing of the available panel raises, edge profiles, and framing beads for each door design.

- Red Oak and Cherry Value grade are available for Cabinet Systems doors and drawer fronts. You may choose to upgrade to one of our other material selections by checking the appropriate box (custom material pricing applies).
- Hard Maple and Soft Maple are Standard grade for Cabinet Systems door and drawer fronts. You may choose an alternative material by checking the appropriate box (custom material pricing applies).
- All doors and drawer fronts carry custom design charges.
- Cabinet front frames will be manufactured using standard grade material. You may choose to select one of our other material grades.
- Not all door styles are available in every specie. See the Doors and Drawer Fronts section of the Custom Product Manual for availability.

### Options

- Select sanding options desired by checking the appropriate boxes.
- Select Concealed Hinge Bore pattern. Refer to the Custom Product Manual Design Options section for information regarding Hinge Boring.

### Special Options

- Please indicate any special options that pertain to the entire order in this area.
